## HOW TO FIND US

---

### From the South

Come off the M1 at Sheffield, joining the M18, bypassing Rotherham. At Junction 2, get on the A1(M) northbound, for about 5 miles. At Junction 38, get on the A638 southbound for about a mile, into the village of Woodlands. At the traffic lights next to the Library, go left down Windmillbalk Lane. At the Police Station, carry on ahead for a further mile over the railway bridge. Just before another railway bridge, turn right. The Park is then your first major turning on the right.

### From the North

Come down the A1 until just before it becomes the A1(M), at Junction 38. Get on the A638 southbound for about a mile, into the village of Woodlands. At the traffic lights next to the Library, go left down Windmillbalk Lane. At the Police Station, carry on ahead for a further mile over the railway bridge. Just before another railway bridge, turn right. The Park is then your first major turning on the right.

### From the A19 coming South (York, Selby, Hull)

Come down the A19, passing through the village of Askern. Pass the first junction (Owston) after a mile, and at the next traffic light junction (Carcroft) turn right (if you reach Toll Bar and Bentley, you have gone too far). Continue over the bridge for about a mile. The business park will be your second turning on the left.

### From Pontefract or Wakefield

Get on the A638 southbound until you reach the village of Woodlands, 4 miles short of Doncaster. At the traffic lights next to the Library, go left down Windmillbalk Lane. At the Police Station, carry on ahead for a further mile over the railway bridge. Just before another railway bridge, turn right. The Park is then your first major turning on the right.
