### CH Power Tools Launch New Website

Doncaster based power tool specialist CH Power Tools have now launched their new website [www.chpt.co.uk](http://www.chpt.co.uk)

CH Power Tools is one of the leading companies in their field for the repair and maintenance of a wide variety of tools, vibration risk assessment reports, parts, tool hire and trade counter selling a wide selection of tools and ancillary products from many of the major brands.

The new site will feature information on all the above services offered by CH Power Tools, which customers and potential customers can access easily.

Clive Hutton, company Director of CH Power Tools said, " the launch of our new website was the next step for us after relocating to our new purpose built premises in August this year. We will now continue to develop the site by adding more useful features for our customers and potential customers".

For more information contact CH Power Tools on 01302 332211 or visit [www.chpt.co.uk](http://www.chpt.co.uk).
